OVERVIEW

Golden Sands Hotel & Residences offers a dedicated meeting floor in the heart of Sharjah, directly opposite Sahara Center and within easy reach of both the Sharjah business districts and Dubai. Six flexible meeting rooms - two of which combine into larger spaces - sit alongside a fully-equipped business center and a spacious executive lounge with a customizable buffet, making it a complete solution for meetings, corporate trainings, small conferences, and events.

Whether you are hosting an eight-person board meeting or a seventy-guest conference, every requirement is handled on a single floor, backed by the service standards of a 340-room hotel - including on-site catering, audio-visual support, and accommodation for out-of-town delegates.
